STATE OF CALIFORNIA STUDENT TUITION RECOVERY FUND Disclosures

STUDENT TUITION RECOVERY FUND

(Effective 4/1/22, STRF fee is \$2.50 cents per \$1000 of institutional charges).

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your Enrollment Agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Boulevard, Suite 225, Sacramento, CA 95834, (916) 431-6959 or (888) 370-7589. To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollecting may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

A. HISTORY OF & COSMETOLOGY COLLEGES (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE), A DIVISION OF MOLER BARBER COLLEGE

Moler Barber Colleges have been in operation for over a century.

The college was established by A. B. Moler, who opened the first barber/cosmetologist college in the nation in Chicago, Illinois, in 1893. With the success of his barber/cosmetologist college in Chicago, Moler turned his attention out west. The National Barber School had been established just before the turn of the century at 218 "J" Street, in Sacramento, California. Mr. Moler purchased the National Barber College in 1910, renaming it Moler Barber College. He then established his system of training barber/cosmetologists here in California. Moler Barber College of Oakland has been continuously operating since 1910.

Mr. Moler eventually sold the college to the family of Henry H. Haight. Haight was Governor of California from 1867 to 1871. The Haight family operated the schools until 1932, at which time James A. Murray, Sr. purchased them. Murray already owned and operated the Moler Barber College in Oakland, and eventually opened Moler Barber Colleges in San Francisco, Fresno and Stockton, as well. The schools were sold to various owners.

In July 2011, Moler Barber College in Oakland was sold to Frank and Christina Quattro, Owners of Quattro Barber Colleges Corp. Then in January 2014, Moler Barber College of San Pablo, CA became a satellite location of the main school in Oakland. Moler Barber College of Hayward opened in November 2016 also as a satellite of main school in Oakland. In 2018, with much enthusiasm, Moler opened the Cosmetology program at a satellite in Hayward, California. In 2020, we added Esthetics to our programs to further support the expanded community need for personal hair, nail, skincare, makeup and facial services.

Frank and Christina Quattro and the entire Moler Team are proud to be part of legacy of training the best California Barber, Cosmetologists and Estheticians in the State.

E. RULES AND REGULATIONS

Professional Conduct is the only level of conduct we expect from our students. A professional does not arrive late. A professional treats patrons, instructors and fellow students with courtesy and awareness. A professional is constantly taking the time to follow the rules of good grooming and proper sanitation.

The following rules are important. If you disobey them, you may be dismissed from the college. None of the rules are arbitrary. They reflect the level of conduct you will be expected to maintain throughout your professional career. The best way to begin that career is to act like the professional Barber/cosmetologist/Hair Stylist you want to be.

1. **DRESS CODE:** Male students must wear a shirt, and slacks. Female students must wear a blouse and slacks. All students are to wear a clean smock and wear shoes that are comfortable for standing and in good repair. Punching in or out incorrectly is looked upon as forgery and will be dealt with accordingly.
4. **TARDINESS:** Students arriving 15 minutes late, in the morning, will not be allowed to punch in until after Theory Class is completed. If you arrive at the College two hours late, you will not be allowed to punch in for the balance of the day.

Absences will be excused only with a doctor's written verification, death in the family or approval of a school staff member. An unexcused absence must be made up. In all cases, all school work must be completed.
6. **FULL TIME SCHEDULE:** Full time attendance is based on eight (8) hours per day, five (5) days per week, for a total of forty (40) hours per week. Eighty five percent attendance is required. Any scheduling for less than full time must be approved by the administrative office prior to enrolling.
7. **DRUG ABUSE:** No student shall be allowed to attend or to remain in school while intoxicated or under the influence of any drug. If you find yourself feeling a bit overwhelmed by it all, give us a chance to help. The administrative staff knows the problems you might face. You are a very important person to us---let us prove it to you.

G. PLACEMENT ASSISTANCE

MOLER BARBER & COSMETOLOGY COLLEGES (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE) does not guarantee employment upon graduation. However, the college does attempt to locate employment for graduates who request assistance. The college is very interested in the kind of position students secure after their training is completed. Reasonable efforts will be made to assist a graduate in gaining employment. The more flexible a graduate can be regarding placement, the easier it is for the college to assist. Because of our service to the Barber/cosmetologist industry over the many years, we do receive numerous calls from the field for graduates. The college maintains a Job Listing Book listing current employment opportunities as well as a listing of Barber/cosmetologist shops for sale. A Job Listing Book, listing current

employment opportunities as well as a listing of Barber/cosmetologist/Styling shops for sale will be available in the office upon request.

Moler also offers other miscellaneous student services such as library and computer services (see page 10) and close interaction between student and instructor. Our campus has free and convenient parking.

H. COMPENSATION STANDARDS

The Barber/cosmetologist/Hairstyling industry generally pays compensation based on the performance of each employee. Commissions vary but the average is between 55% and 75% of the income from services the employee performs at his/her station. California Law requires payment of at least the hourly minimum wage. There are opportunities for other income and salary arrangements through various entrepreneurial ventures.

L. FINANCIAL AID

This college is approved to accept qualified applicants under various financial aid programs. Financial aid is available to those who qualify. Inquire at the college business office for details.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

M. REFUND POLICY

You have the right to cancel this agreement for educational services as well as any equipment or other goods and services. Moler shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

You may withdraw from Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) at any time after the cancellation period and receive a pro-rata refund within 45 days of withdrawal if you have completed 60% or less of the payment period of attendance, which is based on scheduled clock hours up through the last day of attendance.

Your refund will not include your application and registration fees (not to exceed \$250), the STRF fee nor any opened/used books/tools/supplies. Any unopened/unused books/tools/supplies must be returned within 7 days of withdrawal for a full refund.

For the purposes of determining a refund under this section, a student's official cancellation or withdrawal shall occur on the earlier of the dates of any of the following circumstances:

- The student notifies the school of the student's withdrawal in writing and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.
- The school terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school.
- The student has failed to attend class for fourteen (14) calendar days, as determined by monitoring clock hour attendance at least every thirty (30) days.
- Failure to return from a leave of absence. The date of the student's withdrawal shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.

All refunds are calculated based on the student's last date of attendance and are based on scheduled hours in the payment period, not actual hours attended in the payment period.

If the student's tuition was paid from proceeds of a loan or third party, the refund shall be sent to the lender, third party or to the state or federal agency that guaranteed the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

If the student defaults on a federal or state loan, both the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b. The student may not be eligible for any other federal student financial aid

CLOCK HOUR PROGRAM

Your refund will be calculated as follows:

\$12,842.00 the amount paid for tuition
 \$ 150.00 for registration fee
 \$ 1,117.25 amount paid for books (not returned)
\$ 7.00 amount paid for STRF

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid program funds.

You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

6. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed the loan. Any remaining refund amount will first be used to repay any student financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.

7. If the course is cancelled subsequent to a student's enrollment, the School shall at its option provide a refund of all monies paid or provide for completion of the course. If there is a closure at the School the student may be entitled to a refund according to the refund policy.

TRANSFER POLICY

Applicants with previous hours from another CA barber/cosmetologist school who wish to enroll at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) must submit a written request during the admission process along with proof of training from the previous CA school. The transfer and accepted clock hours from another CA institution may be counted in their entirety or as a portion toward the required hours of the same or related program at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College).

These hours will be evaluated based on comparability and applicability, academic preparedness, competencies achieved, and accreditation. If transfer hours are accepted, they will be applied to the end of the program, and the student will be contracted for the total program hours at Moler Barber & Cosmetology Colleges minus the transfer hours. Students who are financial aid recipients will be disbursed using their normal payment periods as long as there are enough hours. Please note: At least 25% of the clock hours for the program must be completed at School. Moler does not have any articulation or transfer agreements with any other colleges or universities. Moler does not award any credit for prior experiential learning. Moler does not have any additional fees for evaluating or and/or applying approved transfer credits.

Example: 1500 hour program, 900 hour academic year, 194 transfer hours

The documents required for this process can be found at the State of California BBC website: www.barber/cosmetologistcosmo.ca.gov). The BBC may then issue a letter indicating the credit it has approved for the hours taken at the previous school along with any other requirements.

Failure to provide the required documentation of previous training in either circumstance prior to enrollment will mean that those hours will not apply/will not be transferred to your program at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College).

Note for VA and Military Students:

Moler Barber College evaluates prior education and training for all students using military or VA education benefits, in accordance with federal regulations. This includes review of military transcripts such as the Joint Services Transcript (JST) or the Community College of the Air Force (CCAF), when applicable. A standardized evaluation form is used to document whether relevant prior training has been identified and reviewed, and this process is completed prior to enrollment as a required step in the admissions process for military and VA students.

For this reason, you should make certain that your attendance at this institution will meet your educational goals.

R. ATTENDANCE POLICY

MOLER BARBER & COSMETOLOGY COLLEGES’ (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE) prime objective is to train students for future employment. Students are expected to attend school as they will be expected to report to work. All absences and tardiness are recorded.

Students must attend a minimum of 66.67% of their scheduled hours in order to maintain Satisfactory Academic Progress (SAP).

Illness or other medical reason substantiated by a doctor's statement is accepted and recorded, as an "excused

absence.”

Military reserve duty substantiated by a superior officer's statement is accepted and recorded as an "excused absence".

- **Leave of Absences**

Leaves of absence are granted on a case by case basis. Students must request a leave of absence in advance & in writing to the School Admissions person, Instructors or Directors. The school Directors reserve the right to accept or deny the requested leave of absence. Leaves of absence may be granted for no less than 2 week and no more than 30 days at a time. However, we reserve the right to grant longer leaves of absence at the school Directors discretion on a month by month basis, with the rule that no individual student’s leave of absence exceeds a cumulative maximum of 180 days within a 12-month period. Reserve military duty or medical reasons are examples of valid reasons to obtain a leave of absence.

Students leaving the premises for any reason during school hours, other than for lunch period, shall get permission from an instructor. Doctor appointments, dentist appointments and other personal errands should be scheduled for non-school days.

Students will clock in and out using the fingerprint Guest Vision time system. It is the student’s responsibility to remember to clock in and clock out.

Theory class attendance is recorded and must be complied with for successful completion. The California State Barber/cosmetologist Law requires a minimum of eighty (80) hours attendance.

No student shall be allowed to attend, or to remain in school, while intoxicated or under the influence of any drug. Students while under prescription medication must notify the school for approval to attend school. Violation of this rule is cause for disciplinary action by the California State Board of Barber/cosmetologist Examiners.

No student shall be allowed to attend school while they have an infectious, contagious or communicable disease.

- **Effect of Absences and Withdrawals on Graduation Date**

Course withdrawals, incompletions, failures, and absences—whether excused or unexcused—will impact a student's projected graduation date. Students can track their progress through weekly attendance and progress reports provided by instructors. These reports will reflect any adjustments to the projected graduation date and inform students of available make-up hours, if applicable, ensuring they remain informed about how attendance and enrollment changes affect their program completion.

COURSE INTERRUPTIONS*

A student may be suspended from classes for up to 30 days resulting in a course interruption. Students can be suspended for unsatisfactory attendance, unsatisfactory progress or for violation of school regulations, including failure to meet financial obligations. This can result in cancellation of the enrollment agreement.

***VETERAN STUDENTS**

An "interruption" in training for any reason will terminate your Educational Benefits checks. You may return to benefit standing only after the College has permitted re-enrollment. Upon successful re-enrollment, your checks may experience delay of up to two months while certification of benefits is processed.

S. SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

1. Satisfactory Academic Progress (SAP) applies to all students regardless of whether they are receiving Title IV financial aid.
2. Federal regulations require that all schools participating in any Federal Financial Aid program must adhere to a Financial Aid/Academic Satisfactory Academic Progress (SAP) policy. As a Financial Aid recipient, you must maintain SAP to remain eligible to receive Federal Financial Aid. The records of all Financial Aid recipients will be reviewed at the end of each payment period to determine compliance with the SAP policy. SAP is measured at 450, 900, 1200 and 1500 hours for the 1500 hour Barbering/cosmetologist program, for all students regardless of the source of their funding. SAP is measured at 250 hours for the Re-Enrollment program, 400 hours for Refresher and Cosmetology Crossover Programs and 450 and 600 hours for the Barber/cosmetologist Instructor program, all of which are non-Title IV programs. SAP determination is based on the student's complete academic history, including periods in which the student did not receive Financial Aid.
3. To meet standards for Satisfactory Academic Progress the student must:
 - Maintain a Cumulative Grade Point Average (CGPA) of 70% or above;
 - Maintain a cumulative attendance rate of 66.67%;
 - Complete the program within the maximum time frame of not more than 150% of the normal length of time required to complete the program.

Official Leaves of Absence, withdrawals, and other official interruptions of training are not computed in the maximum time frame.

Course incompletes and noncredit remedial courses do not apply to SAP policy at the school and will have no effect on satisfactory academic progress.

Financial Aid/Academic Warning, Probation Status

If a student fails to meet SAP standards for either attendance or CGPA at any formal assessment point, the student will automatically be placed on Financial Aid/Academic Warning and will remain in that status until the next assessment point or until the deficiency is corrected, whichever occurs first. A student placed on Financial Aid/Academic Warning status may continue to receive financial assistance. The student will be counseled on the potential loss of eligibility of financial aid, if applicable, and will be advised on steps necessary to correct the academic deficiency and be reinstated to good academic standing.

If a student fails to meet minimum standards for SAP by the end of the warning period, the student will become ineligible for Federal Aid and will be placed on Probation Status. A student placed on Probation Status has the right to submit an appeal.

Appeal, Reinstatement and Reestablishing Eligibility

A student may appeal the determination of unsatisfactory progress and termination of aid eligibility by completing the SAP appeal form. The student's appeal must be in writing, must be based upon mitigating circumstances, must include documentation of those mitigating circumstances, and must include an explanation of the reason why he/she failed to make SAP, including a statement and documentation of what has changed in the student's situation that will allow the student to meet the standards for SAP by the beginning of the next payment period. If the student's appeal is approved, eligibility for financial aid will be reinstated for one payment period and the student will continue in Financial Aid/Academic Probation status until the beginning of the next payment period.

Students who do not appeal a determination of unsatisfactory progress and termination of aid, or whose appeal has been denied, may continue in school, on Probation status for one assessment period at their own expense. By the end of the Probation period, all students on Probation status will be required to have satisfied all standards for SAP including the following:

- Have achieved a cumulative GPA of 70% or better;
- Have achieved a cumulative attendance rate of 66.67% or better

Students who fail to meet the standards for SAP by the end of the Probation period will be terminated from school. Students who successfully meet the standards for SAP by the end of the Probation period will be reinstated to good academic standing and will regain their previous eligibility for financial aid.

Transfer Hours and their effect on SAP

With regard to the calculation of attendance rates or cumulative grade point average as they relate to assessment for compliance with standards for Satisfactory Academic Progress, a student's transfer hours will not be counted

as scheduled or completed hours. SAP evaluation periods are based on actual contracted hours at the school. However, coursework taken at another institution that is accepted and officially transferred will count towards the 150% maximum timeframe calculations on both hours scheduled and hours completed.

T. CONDUCT POLICY

The habits you develop in school will be the habits you will have when you are in practice. The Regulations of the MOLER BARBER & COSMETOLOGY COLLEGES (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE) are designed to help you learn good professional habits at the start of your professional career.

Both parties shall be informed of the proceeding outcomes after a decision has been made by the administration.

If found to be in violation of Moler Barber College's Code of Student Conduct, the offender may be placed on probation, suspended, expelled, and/or excluded from the campus. - Tampering with fire-detection and fire-prevention equipment (smoke detectors, sprinklers)
- arson

Any student who commits these crimes will be referred to the College Administration. Criminal charges may also be filed.

In Case of Fire Drill

When the alarm sounds:

- Always leave the building immediately. Never assume the alarm is a false alarm.
- Continue to evacuate the building even if the alarm stops.

- Use the nearest exit. If the nearest exit is blocked by fire, heat or smoke, go to another exit.

When to use 9-1-1 versus 7-digit telephone lines

- Call 9-1-1 when there is a life or death emergency that requires the immediate response of emergency service such as police, fire or paramedic. Always call 9-1-1 when there is a medical problem or something that requires the Oakland Fire Department to respond, because they do not have non-emergency lines.
- When there is a situation that requires police response but is not an emergency, use Non-emergency dial 1-510-777-3333 for the Oakland Police Department (OPD)

It is a misdemeanor under California Penal Code Section 148.3 for any person to willfully use the 9-1-1 system for any purpose other than reporting an emergency. It is a felony if someone is injured or dies as a result of emergency service response to a false call.

The following activities are prohibited:

- Communicating any information concerning any password, identifying code, personal identification number or other confidential information without the permission of the controlling authority of the computer facility to which it belongs;

This includes creating, copying, modifying, executing or retransmitting any computer program or instructions with the intent to gain unauthorized access to, or make unauthorized use, of a computer facility or software.
- Creating, copying, modifying, executing or retransmitting any computer program or instructions intended to obscure the true identity of the sender of electronic mail or electronic messages, collectively referred to as "messages," including, but not limited to, forgery of messages and/or alteration of system and/or user data used to identify the sender of messages.
- Accessing or intentionally destroying software in a computer facility without the permission of the owner of such software or the controlling authority of the facility.
- Making unauthorized copies of licensed software;
- Communicating any credit card number or other financial account number, or any social security number without the permission of its owner;

- Circumventing or subverting any system or network security measures.

The College's users should not download, upload, transmit, make available or otherwise distribute copyrighted material without authorization using the College's computer systems, networks, and Internet access or storage media. Entrance Counseling

Federal Direct Loan borrowers must complete Student Loan Entrance Counseling Borrowing student loans is a serious financial obligation that may have long term consequences if the student is not informed as to how the loan process works. Entrance counseling will provide you with the important information you need to know to be able to make an informed decision about student loan borrowing. Entrance counseling must be completed before the Financial Aid office will accept and process your loan application. Student Loan Entrance Counseling is completed on orientation day

Exit Loan Counseling

Federal regulations governing the Federal Stafford Loan program specify that loan recipient(s) must complete Exit Loan Counseling upon graduation or withdrawal or falling below half time attendance. Exit Counseling enables students to become informed borrowers by providing valuable information concerning loan repayment options, deferments, loan consolidation, borrower rights and responsibilities, and debt management strategies. The counseling session also gives students an opportunity to update their personal and contact information. Exit Counseling can be completed on either paper format on campus, mailed correspondence or via electronic format at:

www.nslds.ed.gov

Vaccination Policy

Although not a requirement to gain admissions into the school, MBC strongly recommends for young adults to be up to date with the following immunizations listed below:

MMR (Measles, Mumps, Rubella) Measles, mumps and rubella are serious diseases. The Measles virus can cause rash, coughing, runny nose, eye irritation and fever. It can lead to ear infection, pneumonia, seizures (jerking and staring), brain damage, and death. Mumps virus causes fever headache, and swollen glands. It can lead to deafness, meningitis (infection of the brain and spinal cord covering), painful swelling of the testicles or ovaries, and, even death. Rubella Virus (German Measles) can cause rash, mild fever, and arthritis (mostly in women). If a woman gets rubella while she is pregnant, she could have a miscarriage or her baby could be born with serious birth defects. You or your child could catch these diseases by being around someone who has them. They can be contracted by another person through the air. Measles, Mumps and Rubella (MMR) vaccine can prevent these diseases. Children should get 2 doses of MMR Vaccine, the first at 12-15 months of age and the second at 4-6 years of age. These are recommended ages. Children can get the second dose at any age, as long as it is 28 days after the first dose.

Meningococcal Meningitis– Meningococcal disease is a serious bacterial illness. It is a leading cause of bacterial meningitis in children 2 through 18 years old in the United States. Meningitis is an infection of the fluid surrounding the brain and spinal cord. Meningococcal disease also causes blood infections. Anyone can get meningococcal disease, but it is most common in infants less than one year of age and people with certain medical conditions, such as a lack of a spleen. College freshmen who live in dormitories and teenagers 15-19 have an increased risk of getting meningococcal disease. There are two kinds of meningococcal vaccines in the U.S. Meningococcal conjugate vaccine (MCV4) was licensed in 2005. It is the preferred vaccine for people 2 through 55 years of age. Meningococcal Polysaccharide Vaccine (MPSV4) has been available since the 1970s. It may be used if MCV4 is not available, and is the only meningococcal vaccine licensed for people older than 55. Children 2 years of age and older should get 1 dose. Sometimes a second dose is recommended for people who remain at high risk. MPSV4 may be recommended for children 3 months to 2 years of age under special circumstances. These children should get 2 doses, 3 months apart.

Hepatitis B– Hepatitis B is a serious disease that affects the liver. It is caused by the Hepatitis B Virus (HBV). HBV can cause acute (short-term) illness and can lead to loss of appetite, diarrhea and vomiting, tiredness, jaundice (yellow skin and eyes), pain in muscles, joints, and stomach. Acute illness is more common in adults. Children who become infected usually do not have acute illness. Chronic (long-term) infection can cause some people to go on and develop chronic HBV infection. This can be very serious, and often leads to liver damage (cirrhosis), liver cancer and death. Chronic infection is more common among infants and children than among adults. People who are infected can spread HBV to others, even if they don't appear sick. The Hepatitis B virus can spread through contact with the blood or other bodily fluids of an infected person. The Hepatitis B vaccine can prevent Hepatitis B, and the serious consequences of HBV infection, including liver cancer and cirrhosis. All children should get their first dose of hepatitis B vaccine at birth and should have completed the vaccine series by 6 to 18 months of age. Children and adolescents through 18 years of age who did not get the vaccine when they were younger should also be vaccinated.

Copyright Infringement Policy

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the Web site of the U.S. Copyright Office at www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq.

Recruiter Compensation/Incentive Policy

Section 487(a)(20) of the Higher Education Act (HEA) prohibits the college from providing incentive compensation to employees or third party entities for their success in securing student enrollments or the awarding of Title IV HEA program funds.

Background of the law

This strict ban on providing incentive compensation for performing these activities is part of a larger set of Program Integrity Rules issued by the Department of Education (DOE) in 2010 with an effective date July 1, 2011. These rules cover a broad array of issues intended to promote integrity in higher education programs by protecting students as consumers and by stemming perceived abuses of Title IV program funds perpetrated by a minority of institutions. The rules apply to all Title IV eligible institutions.

Definitions and scope:

Commission, bonus, or other incentive payment: Commission, bonus, or other incentive payment means a sum of money or something of value, other than a fixed salary or wages, paid to or given to a person or an entity for services rendered. Covered individuals: Any person or entity engaged in restricted activities.

Restricted activities:

1. Recruiting or admissions activities related to success in securing student enrollments; and
2. Making decisions regarding the awarding of Title IV HEA program funds.

Ban on incentive compensation

Moler Barber College may not provide any commission, bonus, or other incentive payment based in any part, directly or indirectly, upon success in securing enrollments or awarding of federal financial aid, to any person or entity engaged in any student recruitment or admissions activity or in making decisions regarding the award of Title IV funds.

Policy Regarding Fraud and Abuse

Should fraud or abuse be detected or suspected, report it to the Director of the Financial Aid. The Director will consult with the school's legal counsel prior to referring it for investigation to the Office of the Inspector General of the Department of Education or any agency outside the school.

All credible information indicating that an applicant for Title IV may have engaged in fraud or other criminal conduct will be provided. Fraud is an intent to deceive as opposed to a mistake. In addition we will refer any third-party servicer who may have engaged in fraud, breach of fiduciary responsibility, or other illegal conduct involving the FSA Programs.

Section 2 – Financial Aid Programs

Federal Aid Programs in Which Institution Participates

A. Moler Barber College Participates in the following Federal Financial Aid Programs:

1. Federal Pell Grant
2. Federal Direct Subsidized Stafford Loan
3. Federal Direct Unsubsidized Stafford Loan
4. Federal Direct PLUS Loan

1. Federal Pell Grant

The Federal Pell Grant is designed to assist undergraduate students who desire to continue their education beyond high school and can demonstrate need. Every student is entitled to apply for a Federal Pell Grant. Eligibility is determined by a standard U.S. Department of Education formula, which uses family size, income, and resources to determine need. The actual amount of the award is based upon the cost of attendance, enrollment status, and the amount of money appropriated by Congress to fund the program. The Federal Pell Grant makes it possible to provide a foundation of financial aid to help defray the costs of a post secondary education.

2. Federal Direct Subsidized Loan

Federal Subsidized Loans, available through the William D. Ford Federal Direct Loan Program, are low-interest loans made to the student by the U.S. Department of Education. The loan must be used to pay for direct and/or indirect educational expenses. Subsidized loans are need-based, while unsubsidized loans are not. Repayment begins six months after the student graduates, withdraws from school, or falls below half-time enrollment status.

3. Federal Direct Unsubsidized Loan

Federal Unsubsidized Loans, available through the William D. Ford Federal Direct Loan Program, are low-interest loans made to the student by the U.S. Department of Education.

The loan must be used to pay for direct and/or indirect educational expenses. Unsubsidized loans are interest bearing as soon as the loan is disbursed. Repayment begins six months after the student graduates, withdraws from school, or falls below half-time enrollment status.

4. Federal Direct PLUS Loan

The Federal Direct PLUS Loan is available to parents of dependent undergraduate students. These loans are not based on need; however, when combined with other resources, the loan value cannot exceed the student's cost of attendance. A credit check is required, and either or both parents may borrow through this program. Repayment begins within 60 days of final disbursement of the loan within a loan period.

B. Other Aid Programs

1. Veteran's Benefits

Section 3 - Standards of Progress

In accordance with the Higher Education Act of 1965, as amended, and Moler Barber College establishes the following Standards of Progress:

These standards apply to all students who apply for and receive student financial aid from the following programs:

Federal Pell Grant

Federal Supplemental Educational Opportunity Grant (FSEOG)

Federal Direct Loan Program – including PLUS loans

Students who are in default on a student loan or who owe a repayment to a Title IV program, from any institution, are not eligible for federal student financial aid. If a student owes a repayment to a Title IV program, the debt must be cleared before any federal financial aid will be awarded and disbursed.

A. General Requirements

Federal regulations require student financial aid recipients to either have graduated from high school or have completed a recognized equivalent – GED.

B. Check Disbursement

Student financial aid stipend disbursements are made electronically to the schools operating fund account. A report is sent from FAME notifying Financial Aid of the students who have received payment with the check # and date of distribution. This is posted on the students' payment card in Financial Aid Office.

C. Satisfactory Academic Progress

Students receiving student financial aid are required to make satisfactory academic progress toward their educational goal or lose eligibility for student financial aid. Satisfaction is based upon: clock hours.

SATISFACTORY ACADEMIC PROGRESS

All students are required to maintain satisfactory academic progress. A student maintaining satisfactory progress is considered to be in good standing, and is eligible to continue his or her enrollment and to graduate. In addition, satisfactory academic progress is required to maintain financial aid eligibility. See the Financial Aid section of this catalog to learn more about the impact of progress upon Financial Aid eligibility.

4. Student Loans

A. Alternative and/or Private Loans.

The Financial Aid Office at Moler Barber College does not currently accept Alternative/Private Loans.

B. Federal Direct Loan Program

Moler Barber College participates in the Direct Loan Program. It is the philosophy of the Moler Barber College Financial Aid Office that loans should be taken out as the last alternative for financing a student's education, and only in the amount needed to cover institutional charges. It is also recognized that in many cases, a student loan may be the only viable alternative for meeting educational expenses.

C. Packaging Policy

All students who have unmet need after all other student financial aid has been awarded, may borrow a subsidized loan up to the amount of their unmet need or statutory amount, whichever is less. After award of their subsidized loan, students are eligible for their unsubsidized loan as needed and dependant on their individual packaging circumstances. Moler Barber College encourages students to borrow the minimum amount necessary to complete their training at our institution.

D. Withdrawal during the Loan Period

If a student withdraws during the loan period, our policy is to return the remainder of the loan minus tuition covered.

E. Entrance Interview

Entrance interviews, covering all the information required by federal regulations, are available throughout the year online at studentloans.gov. This must be completed prior to the loan being certified .

F. Exit Interview

Entrance interviews, covering all the information required by federal regulations, are available throughout the year online at studentloans.gov. All students must complete an Exit Interview upon leaving Moler Barber College

G. Default Management

Moler Barber College is committed to default management. All default management activities are completed by Results Default Management.

H. Previous Defaults

Students who have previously borrowed from an educational loan program and have defaulted on such a loan will be eligible to borrow a loan at Moler Barber College once they have paid the previous loan in full; have consolidated a previously defaulted loan or have made satisfactory repayment arrangements, defined as having made six consecutive monthly on-time payments. The student must provide documentation from the holder of the loan indicating that a satisfactory repayment plan has been approved and nine consecutive monthly on-time payments have been made or a promissory note marked 'paid in full.' A student who has repaid a previously defaulted loan in full, made satisfactory repayment arrangements, or otherwise resolved the default regains eligibility for financial assistance. For Pell Grant only, the student is eligible once the default is resolved.

A student with a previously defaulted student loan, who has had the loan repaid by involuntary means (i.e. income tax refund withheld) has not demonstrated a willingness to repay the debt. Thus, Moler Barber College may refuse to process a loan for such a student on a case-by-case basis. The student will be notified of this decision.

K. Grace Periods

For the purpose of establishing the beginning of your repayment period if you are a National Direct Student Loan (NDSL), the six month initial grace period for NDSLs excludes any period during which you are a member of a reserve component of the Armed Forces named in section 10101 of Title 10, United States Code, and you are called or ordered to active duty for a period of more than 30 days. Any single period excluded from your grace period may not exceed three years and includes the time necessary for you to resume enrollment at the next available regular enrollment period. You must notify the school that made your loan of the beginning and ending dates of your service, and the date you resume enrollment. If you have an NDSL and are in your initial grace period when called or ordered to active duty, you are entitled to a new six or nine month initial grace period upon completion of the excluded period.

L. Student Loan Ombudsman

If you dispute the terms of your NDSL in writing and the holder of your loan is unable to resolve the dispute, you may seek the assistance of the Department of Education's Student Loan Ombudsman. The Student Loan Ombudsman will review and attempt to informally resolve your dispute and may be reached at 1-877-557-2575.

5. Verification

A. Verification Policy

Verification is the process by which the FAA compares the information on the student financial aid application with source documents provided by the student to verify the accuracy of the application information. These policies are to be used in conjunction with the Department of Education verification guidelines. Moler Barber College will verify the information on the ISIR for all students who complete the application process for federal

student financial aid and who are selected for verification by the Department of Education edits. In addition, Moler Barber College may select files for verification to resolve conflicting information.

At Moler Barber College, student financial aid will not be awarded to those selected for verification until all documents required are submitted and the verification has been completed.

If a student withdraws from all classes before verification is completed, the student must provide the necessary documents for verification within 45 days of the withdrawal date in order to receive a post withdrawal disbursement.

B. Verification Deadlines

The following deadlines, regulated by the U.S. Department of Education, will be followed at Moler Barber College. If Verification documents are not provided within 6 weeks of the student's start date, the student will become a cash paying student, and **25%** down payment on tuition is due immediately

C. Corrections

If discrepancies are found between the documents submitted for verification and the information on the ISIR, the following procedures will be used for making the corrections: ISIR – corrections to income or asset figures, household size, and dependency must be made in FAME and a new need analysis performed. If the corrections result in a changed EFC, the data is transmitted via FAME to the Central Processor to produce an electronic student aid report. Students will receive an acknowledgement from the DOE.

Award changes – If corrections to the ISIR during verification result in a change in the student's award, the student will be contacted to go over the revised award. Financial aid notifications are produced as needed for new awards and changes to awards.

D. Verification Selection

Approximately 30% of a student financial aid population may be selected for verification by the Department of Education. The FAA at Moler Barber College will perform additional verifications on all students who have conflicting data in the file documents.

E. Notification of Verification Requirements

Students will be notified of the documents that must be submitted to the FAA in order to complete verification by the Financial Aid Administrator.

If a student or parent has filed a request for tax filing extension, a copy of the IRS Form 4868, "Application for Automatic Extension of Time to File U. S. Individual Income Tax Return" must be submitted to the FAA. This form will be acceptable, but no funds will be disbursed to the student until a signed copy of the 1040 is submitted.

F. Items to be Verified

Independent Status

An independent student will be required to verify his/her status by filling out the dependency status information on the Independent Student Verification Worksheet. In addition, the specific application item that makes the student independent will be verified as follows:

Ward of the court—official letter describing situation.

Legal dependent(s) other than a spouse—income information showing that the student has the resources to provide more than 50% of the dependents' support or the presence of TANF/CalWorks income on the SAR.

Base Year Income From Work - Student

Income Tax returns for the FAFSA completed and selected (must be signed by student or imprinted or signed by preparer), including all Schedules and Forms, are required of all students selected for verification who filed taxes. If the student did not file taxes and was not required to file taxes, (see "Who Must File"—Publication 17 from the Internal Revenue Service) copies of the student's W-2 forms are required. If a student was required to file taxes and did not, verification cannot proceed until the student completes the appropriate tax form. If the student worked but did not receive W-2 forms from his/her employer, the student must show the source and amount of that income on the Verification Worksheet.

Base Year Income From Work - Parent

Income Tax returns for the FAFSA completed and selected (must be signed by parent or imprinted or signed by preparer), including all Schedules, W-2 and Forms, are required from the parents of all dependent students selected for verification, unless the parent did not file a tax return and was not required to file a tax return. If the parents did not file taxes and were not required to file taxes, copies of the parents' W-2 forms are required. If the parents worked but did not receive W-2 forms from his/her employer, the parents must show the source and amount of that income on the Verification Worksheet.

In the case where the student is unable to obtain his/her W-2 forms and, in the opinion of the professional staff member doing the verification, the W-2 form will not materially change the student's income situation, the W-2 form may be waived. If a student or parent has filed a request for tax filing extension, a copy of IRS form 4868, "Application for Automatic Extension of Time to File U.S. Individual Income Tax Return" must be submitted to the Financial Aid Office. This form will be acceptable, but no funds will be disbursed to the student until the actual 1040 is submitted.

Acceptable Copies of Tax Return Transcripts

All tax return transcripts from the IRS for the base year are acceptable

Child Support

Child support will be verified by self certification on the Verification Worksheet unless there is a discrepancy in the information submitted. In such a case, the student (or the students' parent, in the case of a dependent student) will be required to provide the Financial Aid Office with a copy of the divorce decree, or other appropriate document. Unless there is evidence to the contrary, it will be assumed that anyone on TANF/CalWorks is not receiving child support.

Other Untaxed Income

The following will be verified from the student's or the student's parents' 1040. (If taxes were not filed, there is no need to verify these items.)

Untaxed payments to IRA/Keogh

Foreign income exclusion

The following will be verified from the student or parent's W-2 form:

401(K) Deferrals

403(b) Elective Deferrals

408(k) (6) Deferrals

457(h) Employee Deferrals

501(c) (18) (D) Deferrals

Military Employee Basic Quarters and Subsistence and Combat Pay

Business Income and Rental Properties

Household Size

If the student (and/or the student's parents) filed taxes in the previous year, household size will be verified by self certification on the Verification Worksheet. If the student (or the student's parents) did not file taxes in the previous year, household size will be verified by self certification on the Verification Worksheet.

Number in College

Number in college will be verified by self certification on the Verification Worksheet.

Income Reduction – Dislocated Worker

Income reductions will not normally be considered upon the student's submission of the required documents. Criteria for determining those eligible for projecting income are as follows:

If the student is dependent, the student or a parent whose income was reported on the previous year's 1040 (that which is used to calculate this year's EFC), must now be unemployed or have been unemployed earlier in the current year. If this is the case, the student or parent must have filed for and received unemployment benefits for at least four **(4)** months.

Documentation of unemployment benefits and the date that they started must be presented to the Financial Aid Office. If one of the parents whose income was significant has died, a projected income may be done. The student or parent will also give a written statement regarding their specific situation. **FAME FAS may also request for additional documentation.** If requested documentation is not provided, no income reduction will be made.

G. Resolving Comments on the Student Aid Report

The Moler Barber College Financial Aid Office uses the following criteria for resolution:

1. *If Immigration and Naturalization Services were unable to verify status as eligible noncitizens.* we will photocopy the student's most current immigration document and complete the INS form G-845S. The completed form and the photocopy will be mailed to the INS. After being **returned for the INS, documentation will be sent to FAME.**

2. Selective Service was unable to certify compliance with registration requirements. Self-certification is acceptable for female students and male students born before January 1, 1960.

Male students will be instructed to contact the Selective Service Agency for confirmation of registration or a letter from Selective Service describing the individual student's status. Any ambiguous or unfavorable responses will be forwarded to the FAA or designee who has the authority to determine if the student willfully avoided registration with Selective Service. If the FAA determines that the student willfully avoided registration with Selective Service, no Title IV aid will be awarded. No aid will be awarded until a response is received from Selective Service and/or a decision is made. Once this decision has been made it will carry forward to all academic years.

3. Records indicate that default exists.

Student will be instructed to contact the agency listed on the SAR or in NSLDS to resolve the default. It will be the responsibility of the student to secure documentation proving resolution of the default and to provide a copy of the documentation to the FAO. Acceptable documentation may include a letter from the current or last holder of the loan, a promissory note marked "paid in full", or any written material clearly indicating the borrower has made at least nine consecutive monthly payments on the loan. No Title IV aid will be awarded to the student until the default issue is resolved.

4. Name mismatch with NSLDS indicates that the social security number listed on the SAR matches a record in the National Student Loan Data System, but the name does not match.

We will access NSLDS and review the data to determine how to resolve the mismatch.

Only the provider of the data to NSLDS can change the data, therefore, the FAA and student will work through that entity.

5. Social security number mismatch indicated will need resolution. No Title IV aid will be Awarded until this situation is resolved.

No match on SSN – the social security number reported on the SAR is not a valid number. If the student is correcting the number, no further resolution is needed. If the student insists that the number is accurate, he or she must get written documentation from the Social Security Administration verifying the number. The student must complete a new FAFSA with his/her correct social security number.

SSN and name match, no DOB match – The birth date reported on the SAR does not match the Social Security Administration's records.

The student will need to provide an explanation; note the explanation on the SAR or in the student file documentation. A correction will be made to the student's ISIR.

SSN match; no name match – The name reported on the SAR does not match the Social Security Administration's records.

The student must provide an explanation; document this explanation on the SAR and in the student file. If name mis-match is due to a nickname being used (i.e., Bob instead of Robert) no further action is required. If name mis-match is due to marital status or citizenship status the student must complete the name change with the Social Security Administration and provide the FAA with documentation of the name change.

H. Conflicting Information and Resolutions

In addition to reviewing application and data match information provided by the CPS, a school must have an adequate internal system to identify conflicting information—regardless of the source and regardless of whether the student is selected for verification. The school is responsible for reconciling any conflicting information that it has. All such discrepancies must be resolved before any FSA funds are disbursed to the student. If a discrepancy is discovered after disbursing FSA funds, the information must still be reconciled and appropriate action must be taken.

Discrepant data with Admissions Office

If a student has reported on his FAFSA that he does have a high school diploma or GED, and has reported on the Moler Barber College admissions application that he does not have a diploma or GED, the student is required to bring in the high school diploma or GED scores. If the student does not bring in one of these two documents, it will be assumed that a mistake was made on the FAFSA and the student will not be able to attend Moler Barber College until document is provided.

Discrepant tax data

Financial aid professionals are required to know: whether a person is required to file a tax return, what the correct filing status for a person should be, and that an individual cannot be claimed as an exemption by more than one person.

If an individual is required to file taxes and did not file, he or she will be required to complete the appropriate tax form before processing of the financial aid application will continue. If it is discovered that a student and spouse, or a dependent student's married parents, have each filed as "head of household" the individuals will be required to amend the tax return and file under the correct filing status. It is *not* acceptable to simply add the two tax returns together.

Cal Grant Eligibility

It is necessary to verify financial eligibility for all new Cal Grant recipients who have been selected for verification. The current year Cal-Grant Income and Asset Ceilings must be used to determine if a new Cal Grant recipient continues to meet the financial criteria on a changed or corrected ISIR.

Other discrepant information

No FSA funds will be disbursed until there is resolution on all conflicting information. If the conflict involves a previous award year, it must still be resolved as long as the student is attending Moler Barber College.

The resolution is considered to be complete when a determination has been made as to which information is correct and that determination is noted in the comment screens of the student's electronic file.

6. Packaging Guidelines –

A. Expected Family Contribution

The expected family contribution used in awarding student financial aid at Moler Barber College will be that calculated by the central processor.

REMINDER: It is permissible, under professional judgment, to change the student's contribution to more accurately reflect the financial strength of the student (and the student's parents).

B. Neediest Students

Title IV regulations require that FSEOG are awarded to the students with exceptional need, as determined by lowest family contribution. At Moler Barber College, "students with extremely exceptional need" are those with a calculated EFC of zero and have a cash payment plan. At Moler Barber College, "students with exceptional need" are those with a calculated EFC of zero.

NOTE: The FAA may, however, use professional judgment to change the family contribution to more accurately reflect the financial strength of the family.

C. Packaging Priorities

1. Federal Pell Grant
2. Federal Direct Loans

1. Federal Pell Grant

Federal Pell Grant will be awarded to when a student reaches appropriate hours for each disbursement.

2. Federal Direct Loans

As a general policy, students will be awarded Federal Direct loans according to the packaging guidelines in the Federal Student Aid Handbook

Work Study

Moler Barber College does not offer Federal Work Study.

D. Overawards

1. If the student has federal aid other than Federal Pell Grant, reduce the federal aid (other than Federal Pell) until the overaward is eliminated..
2. If the student is overawarded, has Cal Grant, and has no federal financial aid (other than Federal Pell) that may be reduced, first meet with the student to determine if the student has an unusual situation that warrants an addition to the budget. If not, the Cal Grant will be reduced to stay within the budget.

E. Professional Judgment

Unusual circumstances of the student may cause the FAA to wish to make exceptions to the above guidelines. Professional judgment cannot be used to waive general student eligibility requirements or to circumvent the intent of the law or regulations. When exercising professional judgment, document the change by:

1. Collecting documentation from the student describing their extenuating circumstance.
2. Forward to a Financial Aid Manager for review

3. Submit to FAME for review

F. Student Budgets

Student budgets are completed by FAME with information provided by Moler Barber College. Budgets vary based on student's dependency status and living situation

G. Special Circumstances

Referral of Fraud Cases

Reporting Fraud Rings (Distance Education)

Institutions should submit fraud ring complaints through the Department's OIG encrypted complaint web portal at the URL address <https://oighotlineportal.ed.gov>. Because the portal is encrypted, institutions do not need to encrypt submitted documents.

In addition, institutions will submit a Fraud Ring Reporting Spreadsheet through the IG's compliant process. For more information on how to report fraud rings or for a copy of the Fraud Ring Reporting Spreadsheet, please review the [August 21, 2020 electronic announcement](#).

7. Federal Work Study

Moler Barber College does not offer the Federal Work Study Program.

8. Refund Policies

A. Cancellation and Refund Policy

Following are the key terms and conditions of the College's cancellation and refund policies:

Student's Right to Cancel:

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60% or less of the scheduled days in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following addresses: Moler Barber College, 1440 7th Street, Oakland, CA 94607. This can be done by mail or by hand delivery.
3. The written notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
4. If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$125.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.

Withdrawal from the Program

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund for the current course if you have completed 60 percent or less of the scheduled days through the last day of attendance in that course. The refund will be less a registration fee not to exceed \$125.00, STRF fee of \$32.50 and less any deduction for

equipment not returned in good condition, within 45 days of withdrawal. Any course that is completed with a grade is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

1. The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
2. The institution terminates the student's enrollment for failure to maintain satisfactory progress, failure to abide by the rules and regulations of the institution, absences in excess of maximum set forth by the institution, and/or failure to meet financial obligations to the School.
3. The student has failed to attend class for 21 days.
4. The student fails to return from a leave of absence.

CANCELLATION, WITHDRAWAL, AND REFUND RIGHTS

1) The student has the right to cancel this agreement and obtain a refund of charges paid through attendance at the first class session or the seventh business day after enrollment whichever is later. Cancellation occurs when you give written notice of cancellation at the school address shown on the front page of this Agreement. You can do this by mail, in person or by fax. The notice of cancellation, if mailed is effective when it is deposited in the mail, properly addressed with postage prepaid. If you cancel this agreement, the school will refund any money that you are due within 30 days after your notice is received.

2) If the school has loaned you any equipment or library books, you must return them to the school within 10 days following the date of your notice of cancellation. If you fail to return this equipment or books in un-used and in good condition within a 10-day period, the school will deduct the cost of the equipment or books from any refund you are due. Barber equipment, once used, is not returnable.

3) You have the right to withdraw from Moler Barber College at any time. If you withdraw from the course of instruction after the cancellation period described in Part 1, the school will remit a refund minus the non-refundable registration fee of \$125.00. And the non-refundable STRF fee of \$32.50 (if applicable). You are obligated to pay only for the educational services you have received and any supplies or equipment that you have purchased. The refund shall be the amount you paid for instruction multiplied by a fraction. The fraction's numerator is the number of hours of instruction that you have not received, but for which you have paid, the denominator shall be the total number of hours of instruction for which you have paid. If the amount you have paid is more than the amount that you owe, then a refund will be made within 30 days of withdrawal. If the amount that you owe is more than the amount that you paid then you will have to make arrangements to pay for the educational services that you have received.

HYPOTHETICAL REFUND EXAMPLE: FOR 1500 HR COURSE

Assume, upon enrollment in a 1500 hour course, you pay \$11,842.50 for tuition, \$125.00 for Registration, and \$900.00 (fair market value) for books and supplies, \$6.50 for STRF and withdraw after completing 100 hours (25%) without returning the books and supplies you obtained. The registration fee and STRF fee are non-refundable therefore your refund will be calculated as follows:

\$11,842.50 the amount paid for tuition

\$ 125.00 for registration fee (non-refundable)

\$ 900.00 amount paid for books (not returned)
\$ 6.50 amount paid for STRF (not refundable)
\$ 12,874.00 Total Paid

\$ 11,842.50 x .25% = \$2,960.63 Cost of instruction received.

\$ 2,960.63 Cost of instruction

\$ 8,881.87 Refund due to student

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid program funds.

5. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs: (a) You notify School of your withdrawal or the actual date of withdrawal; (b) School terminates your enrollment; (c) You fail to attend classes for a three week period; (d) You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

6. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed the loan. Any remaining refund amount will first be used to repay any student financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.

7. If the course is cancelled subsequent to a student's enrollment, the School shall at its option provide a refund of all monies paid or provide for completion of the course. If there is a closure at the School the student may be entitled to a refund according to the refund policy.

8. If a student who has not had the opportunity to visit the school prior to enrollment opts to withdraw within three business days that student will be entitled to a full refund of tuition and fees paid.

B. Federal Return to Title IV Refund Policy

Moler Barber College Refund (Refund) and Federal Return of Title IV Funds (Return) policies are required when a student withdraws from all classes (Withdraws). These policies have been updated effective July 1, 2011, in compliance with Federal Register dated October 29, 2010, section 668.22(b)(3) NOTE: Veterans have different Federal Return of Title IV Funds (Return) policies. Please contact your Veterans Education Benefits hotline to determine policy required for Veterans.

Withdrawals include withdrawing from the program, academic dismissal and academic disqualification. The date on which a student officially notifies the Moler Barber College of their intent to withdraw will be used as the basis for calculating refunds and returns. In the absence of official notification of withdrawal, the withdrawal date will be determined in accordance with Federal Title IV requirements.

Federal Return of Title IV Funds Policy

Title IV funds will be returned by Moler Barber College (College) and/or the student as applicable, according to federal regulations. Federal Pell and Federal SEOG grants can be subject to return under

the Title IV return calculation. Federal regulations require that funds be returned to their original source in the following order.

1. Federal Unsubsidized Stafford Loan Program
2. Federal Subsidized Stafford Loan Program
3. Federal PLUS (Parent) Loan Program
4. Federal Pell Grant Program
5. Federal SEOG Grant Program

Students who are subject to the Return of Title IV Funds Policy are:

Students who are awarded Title IV loans and/or grants in the financial period in which they have withdrawn. This includes funds that were or could have been disbursed under federal regulations, as students may be entitled to a Post Withdrawal Disbursement for funds that could have been disbursed by the withdrawal date but were not.

9. Disbursements

Approximately two or three days after electronically transmitting ISIRs are printed. If there are any comments on the ISIRs, the Financial Aid Officer (FAO) is responsible for checking and resolving them. Comments that are usually appear on the ISIRs are:

- Immigration & Naturalization Services (INS)
- Selective Service
- Loan Default
- Verification
- Name & Date of Birth do not match with Social Security Office

All comments require immediate attention and resolution. FA funds are not to be disbursed until all comments are resolved and all required documents are collected.

Method of payment is EFT; all student disbursements are made via Electronic Funds Transfer (EFT). Disbursements are received electronically from FAME to designated funds accounts of the College. Funds are dispersed by posting on student's payment cards

Federal Pell Grant/ SEOG:

The Federal Pell Grant is an entitlement program that is available to all undergraduate students. The Grant cannot be used for any other purposes other than to pay for education.

The maximum benefit for the Federal Pell Grant for 2012/2013-award year is \$5550. The Grant is disbursed into three payments. The first disbursement is scheduled after FAME processes

The Student Financial Aid Office generates a Disbursement Batch Tracking report (ready to pay list) from the system administration (CMV) and verifies SAP eligibility and course load for the scheduled disbursements. Requests of eligible student disbursements are exported out to the U.S. Department of Education software (COD) via EDConnect by our third party processor, FAME. Upon acceptance

(origination/ disbursement document) by COD, the total amount is requested through the U.S. Department of Education (G5) system via internet by FAME INC.

At receipt of Disbursement Batch Tracking report, Student Accounts department will review list for enrollment status and SAP. The list will be adjusted accordingly. Once funds are deposited to schools account a second review of enrollment status will be conducted before the funds are posted to student's account.

For SEOG, funds are requested directly through G5 per Disbursement Batch Tracking report submitted to FAME INC. by the Financial Aid Office.

10. 1098-T Information

1098T information is generated annually by the Financial Aid Office and sent to all students by January 31st every year. General information for student use is on the web site and portal.
